

Hello everyone,

It's that time of year again!! Elections: This means securing a new strong executive committee...

As your Public Relations Officer for the 2007/2008 school year, I was able to get a lot done with the club. I was one of the head organizers for both BBQs, the spaghetti dinner and the bake sale in March for the Canada-Africa Community Health Alliance, the Political Science and Law Forum, participated at the Wishmaker Parade and I am looking forward to our circle K luncheon to be held on March 28th.

This year, I am running for the co-president position. If elected, I intend on making some beneficial changes to the club such as:

- Promote membership development (outside of the Faculty of Science!!) and promote members becoming more active with organizing and making decisions about the club.
- Network more with other clubs (as the PR officer this year, I pushed the club into teaming up with PIDSSA for the PoliSci/Law Forum, as well as teaming up with The Golden Z club for our Pub Night) – I plan to promote networking, since this can open many more doors for our club.
- Make sure that meeting minutes are bilingual (both English and French) since for the past years they have only been sent out in English
- Ensure that we have a set plan for the year with more input from the club and not only the executive committee – as well as to make sure we have attainable goals when we plan our events.

- Ensure proper organization for the District Convention (since our club will be hosting it next year)
- And most important to have fun doing all that we do (I had to add that one in haha)

We all know that in order to keep circle K growing, we need to assure that we have a strong backbone executive committee - I hope that when you do vote, you keep this in mind.

Thanks, and remember...
